3 OF 89 ORIGINAL MURALS SPONSORED BY MURALS DC

Top 5 Reasons to Have a Mural on Your Property!

1.

Spaces that have murals make people want to go there! They help your customers identify with your business.

2.

Murals build a sense of community! They help define the unique character of each neighborhood.

3.

Murals boost leasing interest! Developers and agents use murals to make their properties unique and more inviting.

4.

An interesting mural is the talk of the town! It invites media, photos & selfies and helps document history.

5.

IT'S FREE! Commercial property owners can apply to get an original work of art on their DC wall **free**. Contact the Department of Public Works MuralsDC program.
